

Meeting Between Cáceres 2031 and Cultura Viva Cultural Managers

Activity Type

Institutional working meeting.

Date

18 June 2026.

Participating Organisations

- Cáceres European Capital of Culture 2031 Consortium.
- Cultura Viva Programme of the Provincial Council of Cáceres.
- Cultural managers participating in the Cultura Viva network.

Description

The Cáceres European Capital of Culture 2031 Consortium held a working meeting with cultural managers involved in the Cultura Viva programme, an initiative promoted by the Provincial Council of Cáceres to support cultural development across the province.

The purpose of the meeting was to present the main working lines of the Cáceres 2031 candidature and to establish a framework for dialogue with professionals responsible for cultural management in different municipalities and regions of the province.

The session addressed issues related to local cultural realities, needs identified by cultural stakeholders, opportunities for collaboration, and participation mechanisms that may contribute to the development of the candidature.

The meeting also enabled the identification of potential areas of cooperation between the Cultura Viva network and the Cáceres 2031 project, while gathering relevant information on existing cultural initiatives, territorial resources and proposals that may be incorporated into future working processes.

Outcomes

- Strengthening institutional relations between Cáceres 2031 and the Cultura Viva network of cultural managers.
- Exchange of information on cultural realities across different areas of the province.
- Identification of opportunities for territorial collaboration and participation.
- Collection of proposals and cultural initiatives relevant to the development of the candidature.

Territorial Scope

Province of Cáceres.
